MAY 3RD - MAY 7TH

TEACHER APPRECIATION WEEK

Our Scribner staff members are the true pandemic heroes. They have tirelessly devoted themselves to our community, and now it's our turn to show them how much we love and appreciate their efforts. Here is how YOU can join us in thanking and celebrating them:

1. Have your child(ren) send their classroom teacher, and one additional staff member of their choosing, a handmade card (or e-card) sometime between May 3rd and May 7th thanking them for their support this year.
2. Ask your child to make a sign stating what they love about our Scribner staff. Take a picture of your child holding the sign and post it to social media using the hashtag #ScribnerTeachersWhoCare
